

# 5E FLEX Smoke Blower

**Superior<sup>®</sup>**  
**SMOKE**

**Find Plumbing Faults and Odors FAST!**

The Superior<sup>®</sup> 5E FLEX Smoke Blower is the first and only battery powered blower designed exclusively for DWV system smoke testing. The 5E FLEX is compatible with leading 18-20 volt tool batteries you may already own. Utilizing a high quality Power Adapter, the 5E FLEX integrates seamlessly into your existing electric tool set. That's not all, the 5E FLEX can also run off a 12-24 Volt DC power source - such as a car or truck battery, using the DC Clips Power Adaptor.

**The 5E FLEX is compatible with  
leading tool battery brands!\***

\* The batteries pictured above are not affiliated with Superior Signal or its products.
